

Live Homework Help: Free Online Tutoring

Live Homework Help can be an excellent supplement to the tutoring offered on campus at UAA. It's free for anyone in the state of Alaska to use and is available daily from noon to 2pm. These directions walk you through accessing Live Homework Help through the Learning Resources Center website.

1. Go to www.uaa.alaska.edu/lrc
2. Click Tutoring Resources from the left menu.

Learning Resources Center

Welcome to the University of Alaska Anchorage Learning Resources Center (LRC). The center provides a variety of learning support services to promote student achievement and success. LRC staff are dedicated to supporting classroom instruction and strive to create an environment that enhances learning and encourages students growth and development. Our tutors are trained and nationally certified to assist students in their studies and teach them the skills needed to achieve academic excellence. At the LRC, students may receive support in the areas of academic reading, writing, math, and study strategies. Students may also check out a variety of textbooks, course readings, study aids, computer

Additional Resources

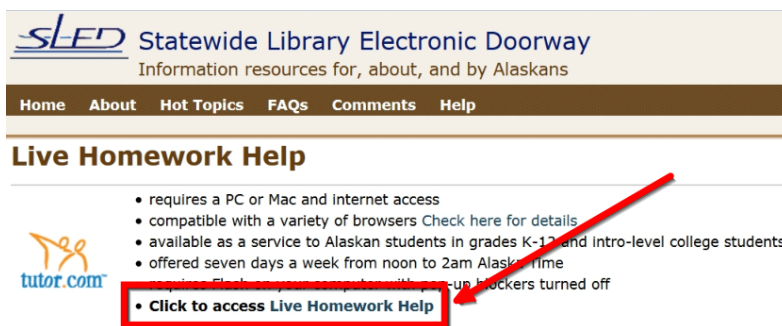

Tutoring Resources

In addition to math, language, reading, and writing tutoring services available through the Learning Resources Center, students can leverage tutoring resources available through the university, the state, and online services.

SLED Free Online Tutoring

The Statewide Library Electronic Doorway (SLED) is a public service providing easy and equitable access to electronic information. Free online tutoring is available in the areas of English, math, science, social studies, and study skills. Sign up for an online tutoring session at sled.alaska.edu/homework. This online service is offered seven days a week from noon to 2:00 a.m.

4. Click the Live Homework Help link.
